(An English Medium Co-Educational School)

## Details of Curriculum

The curriculum of SRS INTERNATIONAL SCHOOL GAJRAULA after the requirement of 21st century and with reference to the guidelines of CBSE/ NCF. The curriculum practices in our school are learner centric. Our teachers ensure an atmosphere for students to feel free to ask questions. They promote active learning among students with a focus on reflections, connecting with-the world around them, creating and constructing knowledge. The role of a teacher is that of a facilitator who would encourage collaborative learning and development of multiple skills through the generous use of resources via diverse approaches for transacting the curriculum. Arts are also integrated in teaching. Teachers are instructed to attend to the individual difference of students by diagnosing and modifying their curriculum planning.

The school envisions the all-round development of students in consonance with the holistic approach to education and therefore, emphasizes integration of co-curricular domains with curricular activities in an equitable manner. In operational sense, the curriculum for all the classes is Learners – centred with school being a place where students would be acquiring various skills, Building self-concept, sense of ,enterprise, aesthetic sensitivities and sportsmanship. Therefore for the purpose of fostering core competencies in Learners, the curriculum and Compasses even major learning areas, from Scholastic and cause Scholastic point of view.

Children get opportunities to think literally, critically, identify opportunities, challenge their potential and are open to new ideas. Children's are engaged in practices that promote physical, cognitive emotional and Social Development and well-being, connect different areas of knowledge, application and values with their own lives and the world around them. The holistic nature of human learning and knowledge are bought fourth while transacting the curriculum to make them good citizens.

Subject wise and class wise annual curriculum overviews are designed by subject teachers. This document breaks down the academic curriculum for coverage during the session in each grade. it briefly outlines the month wise curriculum to be transacted by the teachers are subject teachers with notes on activities and assessment schedule for various periodic tests. This serves two standardize and monitor the timely completion of learning module for the schedules of plant assessment for the academic session.
